

**STOREBENEFIT** 

Display tables for gardening

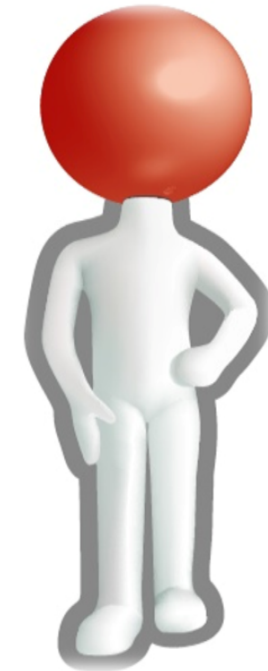

# Presentation Contents:

1. About Us (p.3) - A comprehensive overview of our activities and the goals we aim to achieve in the market.
2. Our Offer (p.4-19) - A detailed introduction to our Display Tables for gardening, along with additional components.
3. Contact Us (p.20) - Our contact information and how to reach us.

## About us:

The core activity of Store Benefits is the sale of shop-fitting solutions for the Scandinavian markets. In our pursuit of exploring new business opportunities, we have decided to introduce a permanent product line, supported by a product catalog and tailored quotes. We are thrilled to present our new offering: Display Tables for Gardening!

# Tables for gardening
